

## UNIFIED CONSORTIUM AGREEMENT

This "Unified Consortium Agreement for FP5 Projects" (the *Consortium Agreement*) has been produced by groups involved in the European Commission's formal advisory group "IRDAC/ESTA" and by the group of telecommunications network operators. These groups are::

- (i) the "European IT Industry Round Table" (EITIRT);
- (ii) European Research Institutes;
- (iii) the Telecommunications Network Operators' Contracts Group (TNOCG); and
- (iv) the Unite group for European Universities.

The *Consortium Agreement* has been negotiated to reflect and balance the interests of all interest-groups concerned in European Framework Programme projects.

The *Consortium Agreement* may be copied and used unamended (save for selection of the Options as indicated below) under the title "Unified Consortium Agreement for FP5 Projects". The *Consortium Agreement* may be copied, amended and used as amended provided a different title is used and the amendments are highlighted. Use of the *Consortium Agreement* is at the sole risk of the users and none of the authors or members of the above groups shall be liable for such use.

Please note in respect of this *Consortium Agreement*:

1. The *Consortium Agreement* is entered into by only *Principal Contractors*. Each *Principal Contractor* should enter into suitable arrangements with the *Assistant Contractors* which it technically supervises. Such arrangements should accord with Section 5.3.1(d) of the *Consortium Agreement*.
2. The *Consortium Agreement* should be signed before signature of the *Contract* with the *Commission*. If this is the case select option 2 of Whereas (B), otherwise select option 1 of Whereas (B) and consider the effect of (and if necessary amend) Section 2.2.
3. The *Consortium Agreement* contains options, comments and requirements for data - on Page 1, in Whereas A, B and D, in Sections 7.1, 10.2.1, 16, 18, the signature page and the Schedule. These are set out in **BOLD CAPITALS**. Select the option required and include it in normal type. Delete the non-selected option and the corresponding note.

### General Guidelines:

1. Any third party claiming *Access Rights* as an *Affiliate* should establish that fact before the *Access Rights* are granted.
2. If a *Party* has a link with a third party via a government but considers that third party is an *Affiliate*, it should agree with the other *Parties* to list the third party as an *Affiliate* on the *Consortium Agreement* schedule.

Each representative shall have a deputy.

4.2 The *PCC* shall be chaired by the *Coordinator's* representative.

The *PCC* shall meet at least quarterly in principle at the request of its chairman or at any other time when necessary at the request of one of the *Parties*. Meetings shall be convened by the chairman with at least fifteen (15) calendar days prior notice with an agenda.

Minutes of the meetings of the *PCC* shall be transmitted to the representatives of the other *Parties* without delay. The minutes shall be considered as accepted by the other *Parties* if, within fifteen (15) calendar days from receipt, no *Party* has objected in a traceable form to the *Coordinator*.

If necessary, the *PCC* may invite representatives of the *Assistant Contractors* to observe (but not to participate in) the meetings of the *PCC*.

4.3 Without prejudice to the *Contract* Annex II Article 2, the *PCC* shall be in charge of overall direction of the *Project*. To that end, the *PCC* shall be responsible for :

### F. 5.1 General Responsibilities

Each Party undertakes to each other Party to use reasonable endeavours to perform and fulfil, promptly, actively and on time, all of its obligations under the Contract and this Consortium Agreement (including in particular the submission to the Commission of the forecasts and statements pursuant to the Contract Annex II Article 17(3)).

In particular descriptions required by the Contract Annex II Article 4(2)b) shall be submitted via the Coordinator and the Parties shall assist the Coordinator to provide the Technological Implementation Plan summary.

### H. 5.3 Towards each other

5.3.1(a) Each Party undertakes to use reasonable endeavours:

- (i) to notify each of the Parties promptly of any significant delay in performance;
- (ii) to inform other Parties (and via them their Assistant Contractors) of relevant communications it receives from third parties in relation to the Project.

- (b) Each *Party* shall use reasonable endeavours to ensure the accuracy of any information or materials it supplies hereunder or under the *Contract* and promptly to correct any error therein of which it is notified. The recipient *Party* shall be entirely responsible for the use to which it puts such information and materials.
- (c) In addition to the obligations specified in the *Contract Annex II Article 21.2*, each *Party* agrees not to use knowingly, as part of a deliverable or in the design of such deliverable or in any information supplied hereunder or under the *Contract*, any proprietary rights of a third party for which such *Party* has not acquired the right to grant licences and user rights to the other *Parties* in accordance with the *Contract*, unless all of the other *Parties* have accepted such use in writing, such acceptance not to be unreasonably withheld.
- (d) Each *Party* shall be fully responsible for the technical supervision of its *Assistant Contractors* and shall enter into appropriate arrangements for such purpose with its *Assistant Contractors*. These arrangements shall as appropriate require the obligations in this *Consortium Agreement* also apply to, and (where they apply) be fulfilled by, such *Assistant Contractors*. Each *Party* shall use reasonable endeavours to enforce such arrangements and obligations as necessary and shall endeavour to ensure such arrangements enable an affected *Party* to enforce the relevant obligation.
- (e) Acting in good faith, when a *Party* believes that for carrying out the *Project* or *Use of Knowledge* from the *Project*
  - (i) it might require *Access Rights* to another *Party's* or an *Assistant Contractor's Pre-Existing Know-How* or to another *Party's* or an *Assistant Contractor's Knowledge* which is not from the *Project*, or
  - (ii) another *Party* or an *Assistant Contractor* might need *Access Rights* to that *Party's Pre-Existing Know-How* or *Knowledge* which is not from the *Project*,

Failure to so notify another *Party* or an *Assistant Contractor* shall not be a breach of this *Consortium Agreement* unless such failure is due to an action in bad faith.
- (f) When a *Party* is unable to grant *Access Rights* which it reasonably believes that another *Party* will require, it will promptly notify such other *Party* and in particular where possible shall do so before submission of the *Proposal* to the *Commission* or entering into the *Contract*.

5.3.2 If this *Agreement* conflicts with the *Contract Annex I*, unless the *Parties* agree otherwise, they shall cooperate in requesting the *Commission* to change the *Contract Annex I* to accord with this *Agreement*.

## Section 6 Costs - Payment

If the *Commission*, in accordance with the provisions of the *Contract*, claims any reimbursement, indemnity or payment of damages from one or more *Parties* (except for claims relating to the matters mentioned in the *Contract* Annex II Articles 6(2), 6(3), 7(3)b), c) or e), 26, 27 or 28 which claims shall be solely for the account of the relevant *Party(ies)* or where the *Commission* states the claim is to be solely for the account of a certain set of *Parties*):

- (b) in the event that it is not possible to attribute default to any *Party* under (a) above, the amount claimed by the *Commission* shall be apportioned between all the *Parties* pro rata to their *Project Shares*.

#### L. 8.4 Liability towards Third Parties

Subject always to such other undertakings and warranties as are provided for in this *Consortium Agreement* and the *Contract*, each *Party* shall be solely liable for any loss, damage or injury to third parties resulting from its carrying out its parts of the *Project* and from its *Use of Knowledge* and/or *Pre-existing Know How*.

#### M. 8.5 Third Parties

- (a) Each *Party* shall be fully responsible for the performance of any part of its share of the *Project*, or other *Contract* obligation, in respect of which it enters into any contract with a third party (e.g. a *Subcontractor*) and shall ensure (i) such contracts enable fulfilment of the *Contract*; (ii) the other *Parties'* *Access Rights* are the same as would have been the case had the contracting *Party* performed its share of the *Project* and/or those obligations itself; and (iii) the third party shall not have access to any other *Party's Knowledge* or *Pre-Existing Know-How* without that *Party's* prior written consent.
- (b) Each *Party* shall in writing inform the other *Parties* if it intends to enter into a contract referred to in Section 8.5(a) (giving the rationale therefor) if such an event has not been detailed in the *Contract Annex I* and the contract is other than for a minor or trivial part of its share of the *Project*. Such *Party* shall consider in good faith comments made, pursuant to the *Contract Annex II Article 5*, in relation to such contract.
- (c) Each *Party* hereby grants *Access Rights* to all *Affiliates* of any other *Party* as if such *Affiliates* were *Parties* provided all such *Affiliates* grant *Access Rights* to all *Parties* (and their *Affiliates*) and (without prejudice to the *Parties'* obligations to carry out the *Project* and to provide *Project Deliverables*) fulfil all confidentiality and other obligations accepted by the *Parties* under the *Contract* or this *Consortium Agreement* as if such *Affiliates* were *Parties*.
- (d) In addition to the obligations pursuant to the *Contract Annex II Article 8*, each *Party* shall ensure that it can grant *Access Rights* and fulfil the obligations under the *Contract* notwithstanding any rights of its employees, or persons it engages to perform part of its share of the *Project*, in the *Knowledge* or *Pre-Existing Know-How* they create after the *Project Commencement Date*.

#### N. 8.6 Defaults and Remedies (1)

A *Party* in default of its obligations under the *Contract* which default causes lawful withholding of payments by the *Commission* to other *Parties*, shall pay to the other *Parties* interest on the amount withheld at an annual rate equal to one (1) percentage point above the prime rate of interest on overdrafts charged according to Euro Interbank Rate (EURIBOR) on the last working day before the *Commission* informed the other *Parties* of such withholding or on the last working day before which the *Parties* or the *Coordinator* became aware of such withholding (whichever was the earlier). Such interest shall accrue on a daily basis until the *Commission* has effectively transferred the withheld amount to the *Coordinator*.

## O. 8.7 Defaults and Remedies (2)

In the event of (i) a substantial breach, but not in case of force majeure, by a *Party* of its obligations under this *Consortium Agreement* or the *Contract* which is irremediable or which is not remedied within one month of written notice from the other *Parties* requiring that it be remedied, or (ii) if Section 15.4 applies, or (iii) if the *Commission* terminates the *Contract* in respect of a *Party*, the other *Parties* may jointly terminate this *Consortium Agreement* with respect to the *Defaulting Party* concerned by not less than one month's prior written notice.

Such termination shall take place with respect to such *Defaulting Party* as of the date of such notice, subject to the provisions in (a) to (b) below.

Notice of such termination pursuant to (i) or (ii) above shall be given to the *Commission* and the *Commission* shall be requested to terminate the *Contract* with respect to the *Defaulting Party* pursuant to the *Contract Annex II Article 7(3)(b)* or to state it does not object to the withdrawal from the *Project* of the *Defaulting Party* in accordance with the *Contract Annex II Articles 7(2)(b)*, provided always that:

- (a) the *Access Rights* granted to the *Defaulting Party* pursuant to this *Consortium Agreement* shall cease immediately;
- (b) the *Access Rights* granted and the obligations to grant *Access Rights* pursuant to this *Consortium Agreement* or the *Contract* by the *Defaulting Party* shall remain in full force and effect;
- (c) the *Defaulting Party* shall:
  - (i) be responsible for and pay all reasonable direct cost increase (if any) resulting from the assignment referred to in Section 4.3(f) in comparison with the costs of the tasks of the *Defaulting Party* as specified in the *Contract Annex I* at the date of termination of this *Consortium Agreement* with respect to the *Defaulting Party*; and
  - (ii) be liable for any so resulting additional direct cost incurred by the other *Parties*, up to a total amount which taken together with any liability to the *Commission* under Section 8.3 shall not exceed the total maximum limit of liability specified in that Section in respect of the *Defaulting Party*, and any excess amount shall be shared between the *Parties* (including the *Defaulting Party*) pro rata to their *Project Shares* at the date of termination of this *Consortium Agreement* with respect to the *Defaulting Party*.

The *Defaulting Party* shall be deemed to have agreed as the case may be to the termination pursuant to the *Contract Annex II Article 7(3) (b)* or its withdrawal from the *Project* pursuant to the *Contract Annex II Article 7(2)(b)* with the proviso that such deemed agreement shall be without prejudice to the rights of the *Defaulting Party* to appeal against such termination or withdrawal as the case may be.

## Section 9

### Force Majeure

A failure in the performance of this *Consortium Agreement* cannot be imputed or assumed to a *Party* to the extent it is due to “Force Majeure”.

The expression "Force Majeure" shall mean any unforeseeable and insuperable event affecting the *Party* fulfilling its obligations hereunder.

Each *Party* will notify the other *Parties* in writing of any “Force Majeure” or *Force Majeure* as soon as possible. The *Parties* shall discuss in good faith the possibilities of a transfer of tasks affected by the event. Such discussions shall commence as soon as reasonably possible. If such *Force Majeure* event is not overcome within 6 weeks after such notification, the transfer of tasks shall be carried out.

## Section 10

### Access

#### P. 10.1 Protection of Knowledge

10.1.1 If, in the course of carrying out work on the *Project*, a joint invention, design or work is made (and one or more *Parties* are contributors to it), and if the features of such joint invention design or work are such that it is not possible to separate them for the purpose of applying for, obtaining and/or maintaining the relevant patent protection or any other intellectual property right, the *Parties* concerned agree that they may jointly apply to obtain and/or maintain the relevant right together with any other parties concerned (which usually will be *Assistant Contractors*).

The *Parties* concerned shall seek to agree between them and the other parties concerned arrangements for applying for, obtaining and/or maintaining such right on a case-by-case basis. Where the parties concerned are solely *Parties*, so long as any such right is in force, the *Parties* concerned shall be entitled to use and to license such right without any financial compensation to or the consent of the other *Parties* concerned.

For the avoidance of doubt, joint ownership of an invention, design or work shall not affect the obligations arising under this *Consortium Agreement* or the *Contract*.

10.1.2 In respect of a country either specified by the *Commission* or agreed by the *Parties*, a *Party* shall notify the other *Parties* (via the *Coordinator* if practical) if it does not intend to seek adequate and effective protection (as required by the *Contract*) of certain of its *Knowledge* from the *Project* or if that *Party* intends to waive such protection. If another *Party* (or *Parties*) informs the notifying *Party* in writing within one calendar month of such notice that it wishes to obtain or maintain such protection, the notifying *Party* shall assign to such other *Party(ies)* all necessary rights which it owns. Such assignment shall ensure the *Access Rights* of all *Parties* will be unaffected except that the *Party(ies)* shall not enforce the resultant rights acquired pursuant to the assignment against the *Party* which assigned its rights, nor against such *Party's Affiliates* or licensees under the assigned rights. For the avoidance of doubt, the *Party* which

assigned its rights shall have at least the same *Access Rights* as the non-involved *Parties*.

Q. 10.2            General principles relating to *Access Rights*

10.2.1 All *Access Rights* for carrying out of the *Project* and for *Use* are granted on a non-exclusive basis. **[DELETE THESE WORDS IF CONTRACT ANNEX II ARTICLE 14(2) IS TO BE INVOKED AND REPLACE BY THE WORDS "NOT USED"]**

10.2.2 Save in exceptional circumstances, no transfer costs (as referred to in the *Contract Annex II Article 11(5)*) shall be charged for the granting of *Access Rights*.

R. 10.2.3            Change of Control

Upon cessation of the control of an *Affiliate* any *Access Rights* granted to such *Affiliate* in respect of *Knowledge* or *Pre-existing Know How* shall lapse, provided however that information which is *Knowledge* which has been incorporated into the products, processes, software or services of such *Affiliate* or which has been amalgamated with such *Affiliate's* own information may continue to be used (in the manner it was then being used) by such *Affiliate* provided it is not practical to do otherwise. In such event, at the request of such *Affiliate*, each requested *Party* shall grant to such *Affiliate* non-exclusive licences under that *Party's* intellectual property rights which are *Knowledge* against terms and conditions to be agreed, provided that no *Legitimate Interests* of such *Party* oppose the grant of such licences. Upon such cessation of control, *Access Rights* granted by such *Affiliate* shall continue in full force and effect.

S. 10.3            *Access Rights* for carrying out the *Project*

10.3.1 Subject to Sections 8 and 10.3.3, *Access Rights* to *Pre-Existing Know-How* needed for carrying out the *Project* shall be deemed granted, as of the date set out in the *Contract Article 2*, on a royalty-free basis to and by all *Parties*.

10.3.2 Subject to Section 10.3.3, *Access Rights* to *Pre-Existing Know-How* and *Knowledge* needed for carrying out the *Project* shall be deemed granted, as of the date set out in the *Contract Article 2*, on a royalty-free basis to all *Assistant Contractors* which similarly grant such *Access Rights* to all *Parties* and other *Assistant Contractors*.

10.3.3 Conditions as set out in the *Contract Annex II Article 12* can be applied by a *Party* if as soon as reasonably possible and preferably before submission of the *Project* proposal to the *Commission* but in any case prior to entering into the *Contract*, the granting *Party* has in writing notified the *Assistant Contractors* and other *Parties* of the conditions that will apply to such *Access Rights*.

10.3.4 For the avoidance of doubt, *Software* will be available only insofar as, and in the form which it is, needed for carrying out the *Project*. Notwithstanding the foregoing and save as set out in the *Contract Annex 1*, the supplying *Party* shall have no

obligation to port the *Software* to any particular equipment or to change it from the form in which the supplying *Party* has it.

#### T. 10.4 Access Rights for Use

- 10.4.1 Unless a *Party* has as soon as reasonably possible and preferably before submission of the *Project* proposal to the *Commission* but in any case prior to entering the *Contract* or the *Consortium Agreement* (whichever is the later) notified in writing the other *Parties* of its intention to invoke the following provisions of (i) the *Contract Annex II*, Article 13.1, second paragraph (where possible stating the conditions it proposes), and/or (ii) the *Contract Annex II* Article 14 (stating the details mentioned in the *Contract Annex II* Article 14) and/or (iii) the *Contract Annex II* Article 15 (giving the necessary rationale therefor) each *Party* hereby agrees not to invoke any of them in respect of which it has not so given such notification, except with unanimous agreement of the *Parties*.
- 10.4.2 *Access Rights for Use* which are to be granted on royalty-free terms shall be deemed granted on the date set out in the *Contract* Article 2 for the lifetime of the relevant *Knowledge*.
- 10.4.3 Save as set out in the *Contract Annex 1*, no *Party* shall have any obligation to port any *Software* to any particular equipment but:
- (i) each *Party* shall make *Software* resulting from the *Project* available to other *Parties* in any form needed, including source code
    - (a) to *Use* it (including without limitation by adapting, modifying, converting, translating and copying or having such acts carried out on its behalf) directly or indirectly - in research, or to create and market a product or process, or to create and provide a serviceand
    - (b) to sublicense it as is normal in the course of the relevant trade to end-user customers buying/using the product/services but only to enable them to use and, as needed, (i) to maintain such product/service, and (ii) to create for its own end-use interacting interoperable *Software* in accordance with the Council Directive of 14 May 1991 on the legal protection of computer programs (91/250/EEC).
  - (ii) each *Party* shall make other *Software* available and shall grant, on preferential terms, *Access Rights* which are additional to those set out in the *Contract Annex II*, 13(2) but which are needed for Section 10.4.3(i)(b) .
    - (a) each such sublicense shall when practical be made by a traceable agreement specifying and protecting the proprietary rights of the *Party* or *Parties* concerned; and
    - (b) each sublicensing *Party* and *Affiliate* shall obtain the previous written approval of the owner of the *Software* before sublicensing the source code

or any relating design data , except that such approval is not required to the extent that the source code or the relating design data is sublicensed solely for the third party's own adaptation, error correction, maintenance and/or support of the *Software* sublicensed to him or rightfully further sublicensed by him.

10.4.4 Notwithstanding the provisions of Section 7.1, each *Party* may enter into a technical cooperation or licensing arrangement with a third party in respect of its own information even if unavoidably incorporated into or amalgamated with such information, there are minor amounts of information which is *Knowledge* from the *Project* of another *Party* (and there are minor amounts of information which is *Pre-Existing Know How* or other *Knowledge* of the other *Party*, but which is associated with that information which is *Knowledge* from the *Project* of the other *Party*). In such circumstances and upon request of the *Party* entering the cooperation or arrangement, the other *Party* shall grant non-exclusive rights to permit such cooperation or arrangement against terms and conditions to be agreed, provided that no *Legitimate Interests* of the other *Party* opposes the grant of such rights.

10.4.5 Recognising the *Parties'* obligations to act in good faith and in accordance with Section 7.1(ii)(C) the *Parties* agree the *Access Rights* for using *Knowledge* in subsequent research activities as indicated in the *Contract* Annex II Article 13(3) are to be as follows:

*Parties* are deemed to be granted as of the date set out in the *Contract* Article 2 a right to use free of charge *Knowledge* from the *Project* for -

- (A) internal research;
- (B) third party research, provided the third party does not have direct access to confidential *Knowledge* from the *Project* generated by other *Parties* (as examples - producing research results which are available to the third party but which contain hermetically-sealed *Knowledge* from the *Project*; using *Knowledge* from the *Project* for in-house testing or diagnosis purposes in doing research.)

In the case of research in collaboration with and/or for a third party where the third party needs *Access Rights* to confidential *Knowledge* from the *Project* of another *Party*, the researching *Party* shall in a traceable form (before starting or committing to start the research) inform the third party of such need, and shall use reasonable endeavours to inform the owner of that *Knowledge* of such need in a traceable form. If the owner has been so informed, he shall (i) not unreasonably delay his decision on whether or not to refuse to grant the needed third party *Access Rights* and (ii) not unreasonably refuse to grant such rights on fair and reasonable terms but may, in good faith, so refuse on the grounds of business interest.

However, if despite such reasonable efforts on behalf of the researching *Party*, the owner has not been so informed, the researching *Party* may carry out the research without prejudice to the owner's rights to enforce its rights in any way it deems fit against such third party.

U. 10.5 Have Made Rights

**OPTION 1**

EACH OF THE *PARTIES* HEREBY AGREES THAT, BEFORE ANY AGREEMENT CONCERNING THE APPLICATION OF THE HAVE MANUFACTURED RIGHTS IS REACHED WITH A THIRD PARTY BY A *PARTY* WHICH IS NOT ITSELF OR WHOSE *AFFILIATES* ARE NOT INCORPORATED OR ESTABLISHED PRINCIPALLY TO UNDERTAKE MANUFACTURING ACTIVITIES AND, DUE TO ITS SIZE OR NATURE, IS ITSELF UNABLE TO COMMERCIALISE THE *KNOWLEDGE*, THE OTHER *PARTIES* SHALL THEMSELVES HAVE A PRIOR RIGHT TO AGREE TO UNDERTAKE SUCH MANUFACTURING ON FAIR AND REASONABLE TERMS AND CONDITIONS.

**OPTION 2 (IN CASE OF ONE OR MORE TNOS)**

**HAVE MADE RIGHTS**

EACH *PARTY*, ACTING ALSO ON BEHALF OF ITS *AFFILIATES* HEREBY AGREES THAT, BEFORE IT ENTERS INTO ANY CONTRACT WITH A THIRD PARTY INVOLVING THE APPLICATION OF THE HAVE-MANUFACTURED RIGHTS USING MAINLY *KNOWLEDGE* FROM THE *PROJECT*, THAT *PARTY* SHALL GIVE EACH OF THE OTHER *PARTIES* AN OPPORTUNITY TO PROVIDE A QUOTATION FOR THE SUPPLY OF PRODUCTS, SOFTWARE OR OTHER SERVICES FOR WHICH IT WISHES TO EXERCISE ITS HAVE-MANUFACTURED RIGHTS. SUCH OPPORTUNITY SHALL BE (A) THE SAME AS THAT GIVEN BY THE *PARTY* TO THIRD PARTIES AND (B) ON THE SAME TERMS AND CONDITIONS AND SUBJECT TO THE SAME TECHNICAL AND OTHER SPECIFICATIONS AS THOSE OFFERED TO SUCH *PARTIES*.

PROVIDED THAT A QUOTATION FROM A *PARTY* IS BASICALLY NO LESS FAVOURABLE TO THE PURCHASING *PARTY*, TAKING INTO ACCOUNT ALL OF THE PROVISIONS THEREOF INCLUDING WITHOUT LIMITATION PRICE, TECHNICAL COMPLIANCE, THE NEED FOR SECOND SOURCING, DELIVERY AND OTHER COMMERCIAL MATTERS, THAN ANY QUOTATION SUBMITTED BY A THIRD PARTY ON AN ARM'S LENGTH BASIS, THE PURCHASING *PARTY* SHALL GIVE PREFERENCE TO THE QUOTATION FROM THE TENDERING *PARTY* UNLESS THE PURCHASING *PARTY* IS UNABLE TO DO SO DUE TO THE EXISTENCE OF NATIONAL, INTERNATIONAL OR TREATY LAWS OR REGULATIONS WHICH ARE BINDING UPON THE PURCHASING *PARTY*. IN ANY CASE IN WHICH THE PURCHASING *PARTY* IS UNABLE TO GIVE A PREFERENCE AS AFORESAID, THE REASONS FOR ITS DECISION SHALL, SUBJECT TO ANY OBLIGATIONS OF CONFIDENTIALITY WHICH ARE BINDING ON THE PURCHASING *PARTY*, BE PROVIDED TO THE TENDERING *PARTY*.

THE AFORESAID OBLIGATIONS TO GIVE AN OPPORTUNITY TO THE OTHER *PARTIES* TO PROVIDE A QUOTATION AND TO GIVE

PREFERENCE TO SUCH QUOTATION SHALL NOT APPLY WHEN A *PARTY* WANTS TO HAVE MANUFACTURED IN ITS NORMAL COURSE OF BUSINESS COMPONENTS, PARTS OR SUBASSEMBLIES FOR INCORPORATION IN AND COMPLETION OF LARGER UNITS OR SYSTEMS MANUFACTURED BY SUCH *PARTY*.

### OPTION 3

OMIT ENTIRELY

## **Section 11 Standards**

- 11.1 If one of the main explicit objectives of the *Project* is to contribute to the establishment of a particular European standard, the *Parties* hereby agree to make available to third parties, needed licences relating to *Knowledge* and *Pre-existing Know How* in conformance with the rules of the standards body setting such standard provided such third party similarly makes needed licences available under its intellectual property rights.
- 11.2 The Parties agree that the *Contract Annex II Article 20 (2)* only refers to actions required by a *Party* in respect of its own information or information which is not subject to any obligation of confidence.

## **Section 12 Publications, Press Releases and Reports to the Commission**

- 12.1 Without prejudice to any obligation of confidentiality in respect of another *Party's* information, publications and oppositions pursuant to the *Contract Annex II Article 9(3)* shall accord with the following.
- (i) When the *Contractors* have agreed a *Project Deliverable* is to be available to the public, any *Party* may publish information from that *Project Deliverable* without reference to any other *Party*.
  - (ii) In respect of other publications, a copy of the planned publication shall be supplied together with the prior warning required by the *Contract*. Any opposition to the planned publication shall be made in accordance with the *Contract* in writing to the *Coordinator* and to any *Party* concerned. If no such opposition is made within the time limit set in the *Contract*, the publication is permitted.

When there is an opposition, the involved *Parties* shall discuss how to overcome the justified grounds of the opposition (for example by amendment to the planned publication) and the opposing *Party* shall not unreasonably continue the opposition if appropriate actions are performed following the discussion.

The justified grounds of opposition are:

- (a) for business reasons concerning the inclusion of the opposing *Party's Knowledge* or *Pre-Existing Know-How*.
- (b) for protection reasons concerning *Knowledge* or *Pre-Existing Know-How* and the publication of the material identified in opposition would adversely affect such protection.

In the case of (b) above,

- (i) the *Parties* concerned shall cooperate to achieve such protection in respect of *Knowledge* (whether invoking the provisions of Section 10.1.2 or otherwise) and to overcome such barrier to publication.
- (ii) provided it does not significantly adversely affect the timing or content of the publication, the publishing *Party* shall delay for an agreed period and/or modify the publication to enable the protecting *Party* to take prompt action to avoid the proposed publication prejudicing the eventual grant of such protection in respect of *Pre-Existing Know-How*; and
  - (iii) the opposing *Party* shall use all reasonable endeavours to overcome such barrier to publication as quickly as possible. The publishing *Party* shall postpone the publication of such material until such barrier has been overcome. However, the maximum time of postponement shall be three (3) months from the date of the opposition unless (exceptionally) the *Parties* involved agree (or are required by law or enforceable regulation) to extend the postponement.

12.2 Where a person carrying out work on the *Project* on behalf of a *Party* (the "Relevant *Party*") needs to include *Pre-Existing Know-How* or *Knowledge* of another *Party* in a publication for a qualification for a degree, the above procedures shall be followed save that the planned date of publication shall be deemed to be the date three months before the last date on which (pursuant to the qualification procedures) the contents of the planned publication can be altered.

However, except as stated below, no such publication will be made under the above procedure -

- (i) without a majority agreement of the *Parties* and
- (ii) provided no *Party* who would be adversely affected (as indicated in Section 12.1 (a) or (b)) by the publication has vetoed such publication.

Notwithstanding the foregoing, such a publication can be made if the Relevant *Party* has as soon as reasonably possible (preferably before submission of the *Project* proposal to the *Commission*, but in any case prior to entering the *Contract* or the *Consortium Agreement* (whichever is the later)) notified in writing the other *Parties* of the intention to make such a publication.

12.3 In addition to the *Contract Annex II Article 18*,

- (i) all information provided to the *Commission*, publications and press releases shall have a disclaimer saying "The information in this document is provided as is and no guarantee or warranty is given that the information is fit for any particular purpose. The user thereof uses the information at its sole risk and liability.";
- (ii) confidential information provided to the *Commission* will be marked stating the information is confidential and may be used only for information purposes by Community Institutions to whom the *Commission* has supplied it.

### **Section 13**    **No partnership or agency**

Nothing in this *Consortium Agreement* shall create a partnership or agency between the *Parties* or any of them.

### **Section 14**    **Assignment**

No *Party* shall, without the prior written consent of the other *Parties*, assign or otherwise transfer partially or totally any of its rights and obligations under this *Consortium Agreement*. Such consent shall not be unreasonably withheld when such assignment or transfer is in favour of an *Affiliate* of that *Party*.

### **Section 15**    **Termination**

15.1 Before signature of the *Contract*,

- (i) any *Party* may withdraw from and terminate this *Consortium Agreement* in respect of itself by informing the other *Parties* in writing of such termination (which shall take effect as of the latest date of such notice) if at its sole option
  - (a) it decides it will not participate either in the submission of the *Proposal* or in the carrying out of the *Project* or
  - (b) it decides to be an *Assistant Contractor* and enters into a contract to that effect;
- (ii) the *Parties* may by agreement terminate this *Consortium Agreement* forthwith;
- (iii) this *Consortium Agreement* shall terminate if and on the date that
  - (a) the *Parties* agree not submit a *Proposal* to the *Commission* or
  - (b) the *Commission* rejects the *Proposal*.

15.2 After signature of the *Contract*, no *Party* shall be entitled to withdraw from this *Consortium Agreement* and/or participation in the *Project* unless:

- (a) that *Party* has obtained the prior written consent of the other *Contractors* (such consent not to be unreasonably withheld), and also of the *Commission*, to the withdrawal from, or termination of, the *Contract*; or
- (b) that *Party's* participation in the *Contract* is terminated by the *Commission* pursuant to the provisions of the *Contract Annex II Article 7*; or
- (c) the *Contract* is terminated by the *Commission* for any reason whatsoever, provided always that a *Party* shall not by withdrawal or termination be relieved from
  - (i) its responsibilities under this *Consortium Agreement* or the *Contract* in respect of that part of that *Party's* work on the *Project* which has been carried out (or which should have been carried out) up to the date of withdrawal or termination; or
  - (ii) any of its obligations or liabilities arising out of such withdrawal or termination.

15.3 If any *Party's* participation in the *Contract* is terminated by the *Commission* pursuant to the provisions of the *Contract Annex II, Article 7*, or a *Party* withdraws from the *Project*, then, without prejudice to any other rights of the other *Parties* the provisions of Sections 4.3(f), 8.6 and 8.7(a) and (b) shall apply correspondingly.

15.4 If any *Party* enters into bankruptcy or liquidation or any other arrangement for the benefit of its creditors the other *Parties* shall, subject to approval by the *Commission*, be entitled to take over the fulfilment of such *Party's* obligations and to receive subsequent payments under the *Contract* in respect thereof.

In such event all rights and obligations under the *Contract* and this *Consortium Agreement* shall in good faith be redistributed among the remaining *Parties* and the affected *Party* on the basis of the work performed by the affected *Party* prior to the occurrence of the above circumstance.

15.5 The provisions of Sections 1, 5.3.1(e), 7, 8, 10, 11, 15 and 16 shall survive the expiration or termination of this *Consortium Agreement* to the extent needed to enable the *Parties* to pursue the remedies and benefits provided for in those Sections.

15.6 Termination of the *Consortium Agreement* and/or cessation of licences granted to the *Defaulting Party* in accordance with Section 8.7(a) and (b) shall not terminate any sublicenses granted or agreed to be granted or offered by the *Defaulting Party* in accordance with ~~Article~~ Section 10 prior to the date on which such termination of the *Consortium Agreement* and/or cessation of licences becomes effective, provided that the *Party* or *Parties* which generated the *Knowledge* or *Pre-Existing Know-How* so sublicensed shall have the right to have an assignment of the *Defaulting Party's* rights under such sublicenses.

15.7 For the avoidance of doubt, termination or withdrawal shall not affect any rights or obligations incurred prior to the date of the termination.

## **Section 16 Settlement of Disputes**

### **OPTION 1**

**16.1 ALL DISPUTES OR DIFFERENCES ARISING IN CONNECTION WITH THIS *CONSORTIUM AGREEMENT* WHICH CANNOT BE SETTLED AMICABLY SHALL BE FINALLY SETTLED BY ARBITRATION IN PARIS UNDER THE RULES OF ARBITRATION OF THE INTERNATIONAL CHAMBER OF COMMERCE BY ONE OR MORE ARBITRATORS TO BE APPOINTED UNDER THE TERMS OF THOSE RULES. IN ANY ARBITRATION IN WHICH THERE ARE THREE ARBITRATORS, THE CHAIRMAN SHALL BE OF JURIDICAL EDUCATION.**

**16.2 THE AWARD OF THE ARBITRATION WILL BE FINAL AND BINDING UPON THE *PARTIES* CONCERNED.**

### **OPTION 2**
